

Oncology Esthetics-USA

## Oncology Spa Solutions® offers the OE-USA Advanced Educational Program for Spa Professionals

OPEN YOUR MIND ~ OPEN YOUR HEART  
CHANGE THE COURSE OF YOUR LIFE

In this 3-day training you will learn the importance of the Esthetician's role in caring for their clients during cancer and traditional cancer treatments. We will look at how it affects the skin as well as the emotional wellbeing and how you can help. You will learn about ingredients and how to make good product choices to help the skin recover and heal. Our mission is to teach you the essential skills necessary to make modifications for custom, safe spa treatments that will enhance client quality of life.

### The 24-hour program covers the following:

- Onco's - A History and basic understanding of Cancer
  - US Cancer Treatments and How They Affect Our Clients
  - Identifying Side Effects in Order to Personalize for a Safe Custom Treatment
  - Ingredients in our Personal Care Products
  - How Does Cancer Affect our Clients Psychologically and Emotionally
  - The Estheticians Role in Skin Cancer
  - CAT Forms - Client Consultation
  - Marketing - How to Share Your Newly Learned Skills with Your Community
  - Hands On – Practical with students and cancer patients
- **COST:** \$900 (includes all training materials, goodies, lunch each day, exam and Certificate)
